AUDITOR'S CERTIFICATE

—————

This is to certify that we, the undersigned Auditors of the Town of Northwood, have examined the books, receipts and vouchers of the Selectmen, Tax Collector, Treasurer, Town Clerk, and the books and bank books, of the Trustees of Trust Funds for the year 1961 and find them correct.

HARRY HOLMES
WALTER CRANDALL
Auditors.

APPENDAGE TO SELECTMEN'S REPORT

To the Citizens of Northwood:

Much interest has been evidenced by the townspeople regarding the Public Beach and the problem with the adjoining land at Northwood Lake. Since this problem has caused increased costs in the Selectmen's Office, the Police Department, and the Recreation Commission, the Selectmen feel that the residents of Northwood are entitled to know what has happened since the Public Hearing, on July 21, 1961.

As you may know, the Hearing of July 21st was for the purpose of determining whether or not the Town should take, by right of Eminent Domain, a strip of land, approximately 30 feet wide by 250 feet long, lying between the Town-owned Beach and Lake Avenue and Lake Shore Drive.

Every person that spoke at the Hearing approved taking the land. Greyline Sightseeing Co., owners of the land in question, did not appear against this action. As a result of the Hearing, the Selectmen notified the Greyline Sightseeing Co., that the Town of Northwood had taken the land and they tendered the Company \$1,000.00 in damages. This amount was refused and the Greyline Sightseeing Co., appealed to the Superior Court for redress on the Town's action. This appeal stopped the Town from using the seized land for parking space. The Town then appealed to the Superior Court to have the County Commissioners settle the case. This appeal was approved by the Superior Court and the Town is now waiting for a hearing before the County Commissioners.

The following expenditures have been included in the totals of the various departments under Detailed Statement of Payments. The Selectmen feel that the voters may want to know what amounts are chargeable to the Northwood Lake Beach.

REPORT OF PRINCIPAL

To the Superintendent of Schools:

When you read this the children of Northwood will have enjoyed the facilities of your new school for over one-half a school year.

Reflecting the awareness of the need for physical fitness, a limited sports program has been initiated. Most of the boys in grades 5 through 8 enthusiastically learned the fundamentals of soccer and the team enjoyed modest success competitively.

Through the generosity of the P. T. A., backboards have been installed in the Activity Room and boys and girls basketball teams organized. We are looking forward to softball and baseball in the spring.

A Christmas program presented by all the grades, under the direction of the teachers and music supervisor, was enjoyed by a large gathering of parents and friends.

Plans are underway for a music festival in the spring. This year only a half day a week of supervised music is divided among the six rooms. I have high hopes for a full day next year.

Rehearsals of two one-act plays, to be presented by the eighth grade, will begin immediately. Presentation is tentatively scheduled for April.

Once a month the boys and girls, and invited guests, gather in the auditorium for an enjoyable evening of dancing to their favorite records. The proceeds go into the eighth grade fund. Half the cost of the boys basketball uniforms was defrayed from this money.

This first half year has been personally gratifying and I feel Northwood is fortunate to have a fine teaching staff.

Respectfully submitted,

PERCY GARDNER,
Principal.

* To fill unexpired term.

The new Northwood school opened in September with Principal Percy Gardner in charge. Mr. Gardner replaces Mrs. Sally Richardson who taught grades 2 and 3 at the Brookside school. By reassigning the present staff it was possible to assign Mr. Gardner to grade 8. The cooperation of the teachers is greatly appreciated.

This year, vocal music has been added to supplement the instrumental program. Mr. Wadsworth Winslow was engaged for this purpose on a half day per week basis.

With the new facilities, it has been possible to present a fine school lunch program under the direction of Mrs. Harry Burbridge with the volunteer help of parents and members of the P. T. A.

It is fortunate that the Building Committee and the district had the vision to build an extra classroom. The increased enrollment in your school population makes it necessary for your School Board to request an additional room next year. Plans for completing the two additional rooms are being submitted for your approval.

A great loss to the district was the passing away of Mr. Louis Hicks on December 18, 1961. Mr. Hicks had been custodian of your schools for many years and had been always cooperative with school personnel and dedicated to his work.

Mr. Charles Gardner has accepted the position for the remainder of the year as your custodian.

The town of Northwood should be proud of their new school with its excellent facilities. They are fortunate to have a competent staff of teachers and other school personnel. It seems that this year will have been one of the best years in the field of education that Northwood has had since I have been associated with your system.

In conclusion, I should like to express my appreciation for the cooperation given me during the year as your superintendent of schools by the citizens, school board, teachers and pupils of Northwood.

Respectfully submitted,
RAMON MARTINEAU,
Superintendent of Schools.

SCHOOL HEALTH REPORT

To Mr. Martineau, Superintendent of Schools, the School Board, and the Citizens of Northwood:

It gives me pleasure to present the following report of the health program at the Northwood School during the past year. It was an especially fine one due to the opening of the splendid new school.

We have been fortunate in having had no serious illnesses, and may I again thank the parents who have been most cooperative in having treatment for cases of defective vision, having dental care done, and having cases of greatly enlarged tonsils checked by their family physicians.

As occasionally a misunderstanding may exist, especially with parents who have moved from other parts of the country, I should like to point out that according to the regulations of the State Board of Education, a school nurse is only permitted to give first aid care. We are not allowed to give internal medication to any pupil unless it is by order of the family physician.

In May there was a successful Pre-school clinic, with eighteen children attending. It was held in the new Elementary School and gave the children a chance to get acquainted with their new classrooms.

The following is a brief summary of the health program:

Vision Tests: 162

Hearing Tests: 6

Heights and Weights: 157

Teeth and Tonsils: 157

Home Visits: 13

(This does not include taking home a child with a minor upset.)

Of six cases of serious vision defect, all were treated by a doctor. One child, who had received care under Sight Conservation, is still under their care. One child with hearing loss is also under medical treatment. In nine cases of serious dental cavities nearly all have had or are having care.

May I extend my thanks to Mr. Martineau, the School Board, all the teachers, and the parents for their co-operation.

Respectfully submitted,

FRANCES L. HARVEY, R.N.
School Nurse
